Percent satisfied with social and physical environment	96.7%	98.6%	82.4%
Percent satisfied with school-home relations	80.0%	98.6%	86.5%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Stewart Heights Elementary School serves students in grades pre-kindergarten through third grade. The school is a Title I Schoolwide Project site due to the high number of students on free and reduced lunch status. Ninety to ninety-five percent of the students fall into this category each year. The student population averages 80% African-American, 15% White and 5% American Indian/Hispanic.

The South Carolina Academic Standards are used as the basis for all instructional activities. Teachers meet weekly to plan standards based lessons to help prepare the students for the next grade level and for the Palmetto Achievement Challenge Tests (PACT) that is administered to all third grade students in May of each school year. In April, the school was notified that it would receive recognition for closing the achievement gap through the exemplary 2007 PACT performance. The school received recognition from the SC Education Oversight Committee.

During the 2007-2008 school year, parents were invited to visit the school to attend Parent Day conferences, APS conferences, P.T.O. Open Houses, literary programs, PACT Parent Nights, American Education Week activities, and academic conferences. Home/school relations were enhanced by way of school and classroom newsletters, teacher calls/notes, and home visits. Students were recognized weekly for positive character traits. They received treats and recognition at quarterly Awards Day Programs.

English language arts, math, science, and social studies served as the core curriculum in all classrooms during the past year. Supplies and materials were purchased with federal and state funds to support these four subject areas. The school met Adequate Yearly Progress (AYP) as prescribed by federal No Child Left Behind (NCLB) legislation for the sixth consecutive year. The school's Reading First grant provided funds which enabled teachers to receive scientifically based literacy training, as well as, money to spend on literacy materials for their classrooms. The school also expanded its Art in Education program. The school hosted seventeen visiting artists, two being week long residencies.

Jayne C. Lee, Principal ☐☐ Robin Floyd, SIC Chairman
